

Norfolk and Norwich Lung Cancer & Mesothelioma Support Group

You are warmly invited!

Who is invited?

All patients, relatives, friends and carers.

Why?

To offer you, your family, friends and carers an opportunity to meet other people in a similar situation and share experiences with one another.

What is it about?

A guest speaker will provide a talk followed by a question and answer session about topics that patients have suggested i.e benefits, treatments and managing symptoms.

When & Where?

The group meets on a Saturday monthly
